

There's No Crying in VBS

by Dana Bowman, p. 46

Dana Bowman discovers Jesus in the middle of the annual summer ritual of vacation Bible school.

1. What summer activity do you participate in year after year?
2. What experiences, if any, have you had working in children's ministry?
Did you have memorable interactions with any of the kids?
3. Do you think vacation Bible school is important? Why or why not?
4. Dana Bowman says Jesus shows up at VBS. When have you seen Jesus show up in unexpected ways in ministry?
5. What benefits do you get from volunteering? Are those benefits different based on your motives for volunteering?
