

## The Marriage Elite

*by Nikwona E. Nowlin, p. 20*

### **When will the church move beyond its single-minded obsession?**

1. As a child, what ideas did you have about being married when you grew up? How did they differ from your current reality?
2. How do your relationships with married friends and single friends differ?
3. What ministry programs does your church have for singles?
4. Why does our culture and the church so often exalt marriage over singleness?
5. What are some things the church can do to help singles?
