Billy Graham, Lon Alison, and You

By Gary Walter, p. 20

President Gary Walter's hope for the future of evangelism in the Covenant

1. What contact have you had with Billy Graham or his crusades?
2. Who in your life do you see as a good role model for evangelism?
3. Gary Walter explains the prayer-care-share model of evangelism. In your experience does sharing the love of God always fall in this order?
4. Walter says that God has placed each of us where we are because he has someone specifically in mind for us to connect with. Where are you having the most impact on others?
5. Do you agree with the quote from Milton Engebretson that states, "If evangelism is not the first priority, it will quickly become no priority at all"? Why or why not?
