How do we dismantle the stained glass ceiling?

1. How old were you the first time you heard a woman preach?
2. The Covenant believes the Bible teaches the fully equality of men and women. How does your church live in to that equality?
3. How do you think sexism in the church compares to bias in the secular workplace?
4. Four More Women in the Pulpit encourages Covenant churches to invite women to preach on Sunday mornings—and not just when a male pastor is on vacation. Why do you think it would be important for the pastors of those churches to be present in the service?
5. Greg Yee says, “The same implicit bias that we talk about with race is applicable concerning women and leadership positions.” Do you agree? Why or why not?
