

## A Clear and Present Danger

*By Stan Friedman, p. 30*

### **How climate change is impacting our Covenant partners worldwide**

1. Are you concerned about climate change?
2. Why would climate-smart agriculture sometimes be called “farming God’s way”?
3. Do you think the education-based relief efforts mentioned in this story will help the current crisis, or will they only benefit future generations?
4. How does this story encourage you to change the way you live?
