

Enjoy Life

By Christine Chang, p. 35

A heritage of hope and warning

1. What phrase or advice do you remember receiving from your grandparents or relatives?
2. What challenges did your grandparents face that you have not had to worry about?
3. What deeper message do you hear in the simple words, “Enjoy life”?
4. Christine Chang observes that her grandfather’s admonition to enjoy life “communicated a deep message of both hope and warning.” What is the hope and warning in his advice?
