

Lift Jesus up, Carefully, Please

By Jelani Greenidge, p. 27

Partaking in the resurrection may have unintended consequences.

1. What groups or organizations are you actively involved in?
2. Jelani Greenidge explores two stories from popular culture that highlight unintended consequences. What biblical stories can you think of that showcase unintended consequences?
3. What does Greenidge mean when he says, “One of the unintended consequences of seeking likeminded people for Christian fellowship is that you can succumb to a sort of concentrated groupthink?”
4. When is it helpful to be part of a likeminded group? When is it problematic?
5. Why does Greenidge encourages us to be careful when we lift Jesus up?
